Brittany: We (including me) are available from 11-12 or 12:30-1:30 on Tuesday 12/7. Please let me know which you prefer and I will send you a Teams meeting invite you can forward to your clients. To answer one of your questions from yesterday, the program has been coordinating with Missouri.

Sara,

Thank you again for speaking with me this morning. I talked to BCP and confirmed they are interested in meeting with EPA to provide a status update in advance of the meeting. They can do next Tuesday (12/7) after 11 a.m. I'd like to attend the meeting, as well, but LMK if you're not available because I wouldn't want to hold them up. Let us know if there is a time that works. Thank you.

Hi Sara,

I hope all is well and you had a nice Thanksgiving. Stinson represents BCP Ingredients. Steve Sanders and I were talking about a separate item yesterday and he mentioned the upcoming 12/9 public meeting. I asked for the air contact since we understand the meeting will be primarily around EO and he pointed me to you. I know there are a lot of moving pieces with EO. Do you have time today or tomorrow to discuss the meeting? LMK when you have a moment. Thank you!
